DATE: June 30, 1995

TO: All Property and Casualty Insurers and Rating Organizations Making
Rate, Rule and Form Filings in Louisiana

RE: Pleasure Boat Filing Guidelines

The purpose of this bulletin is to inform all property and casualty insurance companies of a revision to existing filing requirements. The filing requirement for pleasure boats has been changed from 30 feet to 26 feet. This bulletin supersedes LIRC 95-01.

All insurers writing pleasure boats, 26 feet or less must file rates and rules with the Louisiana Insurance Rating Commission. All rate and rule filings should follow guidelines contained in Bulletin LIRC 93-01.

If there are any questions, call LIRC staff at (504) 342-5202.
